

Instructions for abstract submission

An Extended Abstract (600 words maximum) with one optional figure or table must be submitted for consideration of paper presentation. Use the **[Abstract Submission link](#)** to upload the abstract.

The platform for the submission of abstracts will open on 15 April and close on 30 June.

Acceptance for paper presentation is based upon review of the Extended Abstract. A full manuscript of all papers presented at the symposium will be required and available by the time of the presentation. A “no-paper, no-podium” policy will be enforced.

Full papers will be considered for submission to the [*International Journal of Energetic Materials and Chemical Propulsion*](#).

A book of abstracts will be prepared from these contributions and will be released before the conference in electronic format to the attendees.
